Lead Instructor: Til Luchau

CE Credits: 16 | CAMT Credits: 2

Inflammation is involved in nearly all musculoskeletal issues (including joint pain, muscle soreness, many neuropathies, chronic pain, and more).

But working with inflammation can be a real puzzle: sometimes hands-on work can clearly help; other times, massage or bodywork can worsen inflammatory reactions. What makes the difference?

And, how does inflammation cause pain? Can our emerging understanding of pain and the brain inform our work
